HAZON CSA

Register now for the 2010 harvest season

Open to the entire community...tell your friends!

The Lower Merion/Hazon CSA which began at Adath Israel last year, is an ever evolving community of people committed to a shared vision of common values and heritage, community, and lifelong learning. We see our Hazon CSA as a way of attracting adults and families who are interested in healthy and responsible lifestyle choices connected to Jewish identity. Our CSA connects members with healthy ways to eat, learn and strengthen our community.

We partner with Lancaster Fresh Farm - a cooperative of over 30 farmers in Lancaster County Pennsylvania. The cooperative is made up of Amish and Mennonite farmers who take great pride in building their soil to produce healthy plants, animals and people. The produce is certified organic.

- Season extended to 28 weeks (May through November) this year!
- Members receive fresh, organic produce delivered each week
- Great variety of seasonal produce
- Fresh cut flower and fruit shares also available
- Membership includes weekly newsletter and email from LFFC

Applications are available in the synagogue office, online on the Adath Israel homepage www.adathisrael.org or on the Hazon website:
