

Holocaust Memorial Day is Coming

A Special Candle is Available – Order Now!

Adath Israel’s Men’s Club is offering you the opportunity to accomplish two important things at once!

Order a special HOLOCAUST MEMORIAL CANDLE which is a one-day candle made of yellow wax. Light it on Yom Hashoah (Holocaust Memorial Day – usually observed on 27 Nisan) which this year is being observed on 28 Nisan which comes on Sunday evening-Monday, April 11-12. The candle comes with a special meditation to recite as it is lit. Show ourselves and others that we will always remember and never forget what happened.

The net proceeds from this project will be donated to a special charitable organization – the JWB JEWISH CHAPLAINS COUNCIL which provides for the religious, educational and morale needs of Jewish men and women in the U.S. Armed Forces. One example of their work is the sending of supplies that Jewish troops need to observe the Jewish holidays, including kosher-for-Passover food packages.

Candles must be ordered in advance and orders need to be received by March 25, so submit your order right away! Use the order form below. A limited number of candles will be available so do not delay! Questions? Call 610-934-1919. Return payment to:
