By Murray Spiegel & Rickey Stein

March 14, 2010 ~ 9:45 AM

TABAS AUDITORIUM

Find out how to create an unforgettable seder!

Dr. Murray Spiegel and Rickey Stein present the fascinating and humorous account of their 25-year project to obtain translations of the Seder's Four Questions from hundreds of people around the globe: Jews from Uganda to Uzbekistan, aboriginals in Australia, Eskimo

Bishops, Maori from New Zealand, and experts of ancient languages. Their illustrated multimedia presentation includes several of the more unusual translations, sampling images from their 120 countries of origin. They cover cultural nuggets from other lands, the Seder's history and unexpectedly exotic languages spoken by Jews and their melodic chants. *This remarkable project has the largest number of languages for any Jewish ritual.*

\$10 per person.
