

*Please join the Adath Israel Sisterhood
for a Breakfast Program*

Sunday, April 25 ~ 9:45am

*“Breast Cancer and Your Jewish Genes:
What You & Your
Family Need to Know”*

*Presented by
Jill Stopher*

*Certified Genetic Counselor at the Abramson Cancer Center,
University of Pennsylvania*

&

Dr. Dahlia Sataloff

*Director of the Integrated Breast Center at
Pennsylvania Hospital and
Clinical Professor of Surgery at the
University of Pennsylvania*

*This is a very important and informative
program that affects us all.*

*Program and Breakfast are compliments of
the Adath Israel Sisterhood.*

*After the program there will be a short Sisterhood meeting open to everyone
to discuss programming for next year. Please call the office at 610-934-1919
with any questions.*
