A Mishloach Manot Project – For Purim

You can't help loving the holiday of Purim - a chance to be a little silly, delight your taste buds with hamentaschen and let your friends and neighbors know that you are thinking about them. To fulfill the mitzvah of *Mishloach Manot*, sending gifts of food, the Sisterhood of Adath Israel is facilitating the celebration and making it easy to participate. WE WILL MAKE AND DELIVER THE PACKAGES FOR YOU. *Mishloach Manot* Packages are filled with hamentaschen, juice, candy, and more.

Tell us to whom you would like to send Purim Packages. You can list the names of any congregant(s) on the back of this form. In addition, you may wish to include AI staff members and faculty. Sisterhood will make sure to have the packages delivered in time for Purim (either through the Preschool, Religious School or home delivery). You can also purchase packages for non-member families and deliver them yourself.

Each selected family will receive one package of *Mishloach Manot* with the names of all the congregants who have sponsored a package for them.
