

Love from Adath Israel

College Students and Parents

Sisterhood College Outreach Program

During the year the Sisterhood College Outreach Program sends 2 holiday packages & cards to those students who are away from home. It is a small way to keep them in touch with Judaism and their Adath Israel community.

Once again we are collecting the names and addresses of our college students. A **new form MUST be completed each year** since addresses change.

This year we are asking each family to contribute **\$36 per child** for 2 packages so that we may send more meaningful gifts on the holidays.

The **first** for Rosh Hashanah will include Challah, apples, honey, sweets and juice and will be mailed on September 14th.
